The German Section at USF and the German Culture Club invites students, faculty, and staff to join us in a day of activities showcasing the talents and interests of students studying German at USF. All activities are generously sponsored by the German Embassy in Washington, DC, as part of their annual "[Campus Weeks](#)" campaign. This year, the theme and focus is "Germany meets the US," a celebration of centuries of German/US relations. German Day will feature a poetry slam, poster contest, free refreshments, and free raffle with many prizes for everyone. Please arrive at 10:45am if you are participating in the contests.
