Taking a foreign language online is easy and convenient for students. This class is offered fully online and no attendance on campus is required. However, students will have the option to attend occasional fieldwork assignments to a local Italian market, to the Opera at the Straz Center (which is offering us special discounts), to the end of the semester party, and/or in conjunction with ITT 4503 Italian Food and Film also offered in Spring 2017. Students must have access to a computer, the Internet and email.
