

Is the Internet destroying the English language?

Or is it encouraging us to be more creative
and playful with our language than
we've ever been before?

LANGUAGE OF THE INTERNET

Fall 2017 Thursdays 5:00-7:45 pm

We'll examine:

- Tweets
- Memes
- Liking, Rating & Reviewing
- and lots more.

Sign up to learn about intertextuality, meta-discourse, narrativity, and other exciting practices we engage in when we use language online.
