

Vamos falar Português?

It is possible to communicate in Portuguese after just two semesters. Our course is fun and communicative. And if after those two semesters you still wish to improve your pronunciation and fluency, we have Intermediate Portuguese 1 and 2.

This Fall 2017 there two hours to choose from:

POR 1120 Portuguese 1 from **11:15 to 12:05** - CPR 203 (M/T/W/R)

or

POR 1120 Portuguese 1 from **2:30 to 3:20** - CPR 204 (M/T/W/R)
