

Yes, it's *that* time of the year!
Please contribute to our 3rd

Poetry

Event¹

If you believe the moon is

more than a Swiss cheese

simulacrum

and the proximity of a sewing machine and an umbrella excites you,

WE NEED YOU

to share your creative side with us in an informal and fun setting.

We consider: any creative piece, **originally your own work**, such as poetry, short fiction, songs, audiovisual cyber verses, creative presentations,

in any living or dead language.

If you would like us to consider your contribution,
please send us an email with a **title and brief description** by **November 8th**.

We will pay you a handsome **reward*** for participating!

Our Event will be held on **November 15th, 6 pm**, CPR 487.

This is a great opportunity to relax, celebrate your talents and each other,
and build your curriculum!

Please send an email indicating your interest in participating to
heikescharm@usf.edu or **tuckerr@usf.edu**
(Contributions will be selected according to quality and creativity)

**While we do not have any money, we do promise to shower you with our admiration, appreciation and applause, free pizza and prizes!*

¹ Sponsored by the Department of WLE and the Spanish Clubs. Open to USF Undergraduate and Graduate Students of all departments. Contributions must be short, not to exceed 10 min. of presentation time.
